

# Sussex Championships 2010

## Job allocation

Please ensure your club carries out the task specified. These jobs do not necessarily need to be undertaken by coaches, any adult is quite capable of helping out here. Please note, with the exception of runners, these jobs are not suitable for young children.

Ensure your volunteers know what is required of them, and they are equipped to perform the job. Some jobs need stop watches, paper and pens, calculators and so on.

De-rig	All		All	

All clubs that perform their allocated job and help with the de-rig will have their de-rig cheque returned at the end of Sunday's event.

### Rig times

Clubs must send at least one representative to the venue at the time stated below. The volunteer could be any adult, not necessarily a coach.

We managed to complete the rig well before 9:00pm last year. So long as enough people come, we would hope to do the same this year.

Ensure the representative makes themselves known to the competition organisers. Then the rig cheque will be returned on Saturday morning.
