The Sussex Championships for tumble this year will be integrating with Acro and will be held at Hollington Gymnastics Club in Hastings and will be on the weekend of 30th September and 1st October 2023.

We will be looking to hire a judging system we have used multiple times for tumble as this will be so much quicker for us in the long run when it come to ding the presentations. It will all be done on tablets and will go straight to a computer and will sort out positionings itself. We know this will be an extra cost but in the long run will be great as will also free up Myself and Nikki to sort out the competition on the day rather than keep going to sort the scores out if anything goes wrong.
