Laura Wilton	Southbourne (chair)	Dawn Hyland	
Jeanette Sherlock	Southbourne	Mike Gevaux	
Kim Kennedy	Performance		

Apologies

Apologies for absence were received from:

Mark Poore	Hollington
Emma Ballancore	Summerfields

Event budgeting

Keith Walter presented a budget sheet for events.

Sussex Gymnastics has 2 revenue streams; affixation fees and events. Both of these revenue streams were severely restricted over the last 2 years.

Sussex Gymnastics will need to make more profit from events in the next few years.

Event organisers should consider the costs incurred by an event before running it. They must ensure the county will make a profit from that event.

Event costs may include an "event organiser's fee". However, there maybe a tax liability if this is not done properly. In any case, event organisers should not be left out of pocket. Any costs incurred by the organiser (e.g. home printing, mileage) should be included on an expense claim form for that event.

Host clubs and venues should charge a fixed rate, regardless of the profit made by the event. This rate will depend on many things such as:

- the labour supplied by the host
- apparatus wear and tear
- rig / de-rig times
- catering facilities
- other services provided by the venue

Education bursary

Funding applications for coach / judge education will be re-opened once Sussex funds have recovered enough to allow this.

The next Sussex meeting will discuss what projects the bursary will fund.

Date of next meeting

The next meeting will be on 6 July. The time and venue of this meeting will be decided by the chair (Laura Wilton).

The meeting closed at 22:10.
