

Festival discipline report

Dysons & Chichester attended Gymnastique Magique in Disneyland Paris. Dysons got a bronze place in the group routines and if I counted correctly Chichester took a stunning 4 group bronzes, 1 duo silver, 1 duo bronze, 1 solo silver, 1 solo bronze.

Dysons will be attending GymFusion in Guildford in November this is a non-competitive British gymnastics event. Dysons are also attending Ministrada in Liverpool in November, results from that event will be in the next report.

We would like to remind the other disciplines that when organising comps such as the Sussex champs it would be great to have the option for festival groups to come and showcase their routines perhaps during the time when judges are finalising scores and positions.

I am putting together a proposal for a possible training event for clubs, coaches & gymnasts centred around festivals and will try and have this ready for the AGM to get feedback on.
